PROVIDING INFORMATION

Senior Services Directory

Nevada Senior Guide is the home of the Senior Services Directory - the most comprehensive state wide directory of senior services, updated every 3 months. Included inside the Nevada Senior Guide, the directory lists hundreds of non-profit and government agencies with the services they provide.

Health Fairs

Nevada Senior Guide participates in health fairs each year. We are meeting hundreds of consumers and placing the Senior Guide directly in their hands. We have found this approach to be an effective way of familiarizing newcomers with the Senior Guide and strengthening the readership with existing readers.

Free Featured Articles

Full-page advertisers are given a one-page article related to their industry to assist the consumer in making buying decisions. These are offered on a limited, first come, first served basis. You will also find general information articles that are targeted to the senior audience regarding healthcare, financial, and leisure activities.

Free Level of Care Directory

The Nevada Senior Guide includes a comprehensive list of all levels of care. From Retirement Communities to Long Term Acute Care, this directory offers fast and easy access to guide those in need of assistance.

Free Internet Advertising

INTERNET ADVERTISING

Your ad appears **FREE** on the internet at *www.NVSeniorGuide.com*. We average hits over 2 million & average monthly unique visitors at 38,000. In addition to our print publication, we have added Nevada Senior Guide to the internet and into thousands of households that would otherwise miss your message. Each ad appears on its own separate page on the website, and that page is branded with your organization’s name for maximum exposure and results! **Banner Ads starting at \$350 per month.**
